questions do we have?

Lederer

Inspire and evaluate

Look at Karen Lederer and her work. What do you like about it? What don't you like about it?

E1 - Research artists and comment on their work expressing their likes and dislikes through annotations as well as commenting on how it makes me feel or things it makes me think of or experiences it reminds me of. I should identify aspects of others' work as a starting point for their own.

Experiment

Practice making a string printing block to create art work.

PR4 - Select the most appropriate materials to create a printing block and explain why.

Design and practice

Design your final art work - consider, colour, string shape, pattern.

Practice using your string printing block.

E2 - Use their sketch books to adapt and improve their original ideas.

Create

Create your final piece based on your design.
Create your own patterns and organise them in different ways. I should print with a number of colours relating to atmosphere and mood using layering.

Reflect

How successful was your art? Did it go well? Do you like it? Would you change anything if you did it again? compare my final product with my inspiration and design and describe similarities and differences.
