

Year 3 & 4- Homework Activities

Choose 1 activity to complete each week. These activities are optional but it would be great to share some of their home learning at the end of the term.

This term's value: Service

- Do an act of service for someone you love.
- Plan 5 acts of service to complete in school.
- Create a poster which explains the benefits of acts of service.

Reading & Writing	We are Authors!	Create a script that includes stage directions for a movie about Tar Beach	Write a diary entry as Charlie when he discovered Cando.
Communication and Language	We are Linguists & Communicators!	Draw a jungle animal and write the French name underneath.	Create a puzzle where you must match the jungle animal with its French name.
Maths	We are Mathematicians!	Find containers which hold different masses and capacities (look in your cupboards!). Can you compare them using $<$, $>$ or $=$?	Times Table homework (weekly)
Understanding the world (Geography & History)	We are Historians & Geographers!	Film a breaking news video to explain what happens when a volcano erupts.	Create a travel brochure that encourages someone to come to Greece.
Expressive arts and design (Art & Music)	We are Artists & Musicians!	Create your own printing block and produce some unique art work.	Can you remember which finger matches to what colour on the violin? Draw a picture so you don't forget!
STEM (Science & DT)	We are Scientists & Engineers!	Y3 - Create a diagram to show water transportation within plants. Y4 - Create your own sound experiments, what happens when you move further away?	Create a comparison table showing the difference between Egyptian and Greek food. Can you use images to support your explanation?
Living in the wider world (RE & PSHE)	We are Citizens and Theologians!	Create a poster demonstrating what Jesus would want for the world.	Reflect on how your choices affect the environment - create a 5 step plan on how you can make better choices for the environment.
