

Reception Newsletter Term 5

Welcome back!

Welcome back! We hope you all had a lovely Easter holiday with your family and friends and enjoyed the beautiful sunshine! We very much look forward to the signs of Spring continuing to pop up as well as the warmer, sunnier days that come with this time of year. Hopefully with not too many April and May showers!

We move into Term 5 where we have a term packed with lots of exciting things going on, not forgetting bank holiday Monday.

Our value for this term is service. We will continue to make links to previous knowledge as well as learning new information such as in our plants topic in Science. Our termly overview will share all our learning with you.

We have new clubs starting this term. Please see the key dates page.

Thank you,
Reception team

End of term - School closes at 3.15pm

Beginning and end of the school day.

Please remember school begins at 8.45 am. This is when children begin their learning. Please be on time. The classroom and hall doors will then be shut and the playground gate locked at 8.55 am. This is to safeguard all our children.

Pick up is at 3.15 pm from the classroom door.

If someone else is picking up, please inform the class teacher on the door in the morning or the school office during the day. If it is someone not known to us, you will be asked to set up a password so the teacher on the door knows that this is the agreed pick up. We will not let children go with an unknown adult or with a known adult without prior knowledge of the arrangement. This is of course to safeguard our children.

We are a mobile free zone. We would appreciate all phones to be switched off or put away on the playground. Please greet your child with a smile and not your phone. We know from many years experience that asking how their day was or asking what they did today, is usually met with Ok, I don't know or similar. At the end of the day we have a Five to Flourish discussion when we ask them to think of things they are proud of, they have learned, something that links to our values of embracing hope, building resilience, developing wisdom and choosing service. This may help you have a more productive conversation.

Don't forget to book your school lunches for the term on the Schools Food United app.

What you will need...

P.E.

PE will be on a **Tuesday** and a **Thursday**.

Please send your child to school with their PE kit on. Please remember our PE uniform is a white polo shirt, navy/black shorts or trousers and plain trainers or daps. A Kingfisher logoed sweater or non logoed blue sweater is also essential.

They will be in this all day, so please ensure it is weather appropriate.

Outdoor learning

We will often pop outside in our lessons, please make sure that children always bring a coat so we can get outside. If they have a spare set of wellies that could be left in school, this would be useful. A coat with a hood is much better than an umbrella.

PLEASE LABEL EVERYTHING!

Termly Overview

Each term we will send you an overview of our learning in each area of the curriculum. You can also find it on the website. It looks like this:

Personal, Social and Emotional Development

We will be learning to:

- Identify different relationships
- Understand our own feelings and how we can regulate them
- Be aware of how others are feeling and how to support them
- Show resilience when solving problems and persevere through challenges
- Be a good friend - what qualities can we show
- Use technology safely

Physical Development

We will be learning to:

- Hold a pencil to form letters and numbers correctly
- Develop our coordination and movement to hold balances, move in different ways and safely travel, balance and jump off apparatus

Communication and Language

We will be learning to:

- Share, listen and work in talk partners
- Use and apply topic related vocabulary
- Ask questions and develop explanations
- Using what we have heard in stories, non-fiction and through discussions, to develop our own understanding around topics

Maths

In Reception we will be learning to:

- Recognise numbers 11-15
- Understand how to make teen numbers using tens and ones
- Order numbers to 15
- Recognise different representations of numbers within 15
- Add amounts and recognise number bonds to 10
- Estimate amounts accurately
- Reason using number knowledge

Understanding the World

We will be learning to:

- Name and understand the parts of a plant, their lifecycle, conditions needed to grow and plant our own
- Recognise how to help look after our world as part of World Earth Day
- Recognise how climate and animals change around the world and compare to where we live.
- Recognise stories which are special to different religions

Expressive Arts and Design

We will be learning to:

- Identify, discuss and explore paintings
- Create art
- Identify colours and how to mix them to make colours
- Learn about an artist

Literacy

In Reception we will be learning to:

- Recognise digraphs in words and blend with them
- Read and write sentences applying phase 3 phonemes
- Use finger spaces in between each word
- Read and spell tricky words
- Recall details about settings, characters and events
- Retell and develop familiar stories

Our focus in term 5 will be on **Service** and what that means to us at Kingfisher. We will also be learning about **Mutual Respect and Tolerance** and what this looks like at Kingfisher.

Reading

We are committed as a school to ensuring all children develop the skills they need to read independently and have access to life long learning. Our team believe in ensuring all children find themselves represented in books. We aim to expose our children to high quality, award winning and diverse literature.

Book change days

Monday Hand in Little Wandle and sharing book. Take home a new sharing book.

Monday is also Book Club Day where we share our books, discuss what we liked about them and recommend to each other.

Thursday New Little Wandle book goes home after being read 3 times in school.

Phonics vs sharing books

Monday's book you can share together. They are not supposed to be able to read this!

Thursday's book is for children to read to you. Once children are confident with blending, they will bring home a book with words in. Please use the prompts in the covers of the books for phonemes to check, words to discuss and questions to answer.

Our core texts this term

- The night pirates by Peter Harris
- My shadow is Pink by Scott Stuart

Phonics

We will continue learning phonics using Little Wandle which is the phonics and reading scheme at Kingfisher. Children are assessed every six weeks and this is used to ensure they are taught what they need next.

How you can help at home

Ask children to spot the digraphs in a word.. Practice tricky words.

Practice blending simple words and encourage sharing their reading book daily.

Read with them, let them see you reading.

Christian Authenticity

In Collective Worship...

In our Values assembly on Mondays, we will be learning about psalm 1:3 and think about how our values are reflected in this and what this means for us as Christians. We always start by welcoming God, then we listen and respond before singing and having a reflection.

On Tuesday we have a assembly with our Chaplain, Owen, in our Chapel. He uses a resource called Jack in the Box which they love.

On Wednesday, we have a Class Worship - following the same pattern linking a bible story to the book/story from Monday's assembly.

Thursday is a Singing Assembly, learning and worshipping through song, as well as learning songs for events and performances.

Our Friday, Celebration Assembly celebrates the learning both inside and outside of school. It's a time for recognition and celebration of our brilliant Kingfishers.

We are maintaining our relationships with the community at the Child of Hope school in Uganda.

Each class will write letters to the children in their matching age class. We are sending them a book of our class author, lots of reading books and our class photo.

We are looking forward to receiving letters back from our class friends in Uganda.

Later on in the Year, we will have a day of activities to grow our links further.
